Welcome to the 2024 Lake Hayes A&P Show

Kate Hamilton

I'm delighted to be the new President of the Lake County A&P Society and to be working with our amazing committee planning our show for 2024.

We are lucky to have a spectacular setting - arguably the best in the country - for our annual show and to bring the town and country together for a day of exciting competition and fun.

This will be our 108th show. The only disruptions since 1904 have been the war years and the recent COVID pandemic that caused us to cancel the 2022 show.

The theme for the 2024 show is mental health and community wellbeing. It goes without saying that there have been some ups and downs in recent years and the committee has agreed that a focus on connection and mental health is a good fit. We are pleased to announce that mental health advocate, Matt Chisolm will be our special guest at the show.

We're also thrilled that Queenstown Airport has elevated its support of this long-standing community event and come on-board as our red-ribbon sponsor, with a focus on helping us go green, and continuing our mission to be a waste free event by 2025. Last year, working with DISHrupt we were able to reduce waste by 55% and I extend my thanks to all of you and our vendors. It was the enthusiastic support of our community that helped us achieve such a positive result in our first waste-minimising year.

On that note, remember to bring reusable cups, water bottles, and reusable containers for your food orders. We've got some new categories this year, so please spread the word! If you pass an owner and pet out for a walk and you notice an uncanny similarity let them know about our Pet & Owner look-alike category. Do you have an unusual pet or a beloved pet lamb or goat? You can enter them this year.

We are always very impressed by the inventive and creative entries in the home industries pavilion. We've introduced some new categories to keep you on your toes – including 'design and build a garden game' in the Family Class, for bakers 'a homemade loaf of bread' and those with green fingers 'a cactus or succulent'.

It's always a thrill to see the calibre of entries in our equestrian and sheep sections. Our new hobby horse event was a hit at the 2023 show, so it's back with thanks to the team from Mountain Scene. Trot on!

The bar area always provides a great vantage point to watch the arena events. We're pleased to have Mora Wines running the bar this year.

As you can imagine, there's a lot of work that goes into our community event. The A&P Show simply wouldn't happen without a dedicated team of volunteers and our committee working away behind the scenes. We are also very lucky to have the support of our sponsors who together make a significant contribution each year.

Tally-ho! See you at the show.
